## SENIOR CLASS PROPHECY

Nancy Hitzfield is quite a gal;  
She is a fine, sweet and a reliable pal.  
She'll make a fine wife, as we can see,  
With babies a plenty around her knee.

Bob Ripley, a famous girl charmer,  
We see as becoming a hard-working farmer.  
He's charming the animals now we see,  
They follow in droves wherever he be.

Donna Mongosa, a pert little lassie,  
Is now making others quite classy.  
She curls hair and dyes it too,  
To make a beauty of me and you.

Peggy Bradbury, with many future plans,  
Has almost succeeded in catching a man.  
As an airline hostess, she can have her pick,  
And we are sure she'll get one quick.

Larry Duhamell hopes to be,  
A teacher in the "elemen-tree".  
To children he will be so kind,  
But he is sure to make them mind.

Suzie Field is jolly, carefree, and gay;  
She hopes to marry one fine day.  
College is first and then a man,  
To make complete her family plan.

Mary Lou Johnson, the "Southern Belle",  
Has a future that is hard to foretell.  
We see her on the beach in F-L-A.  
Hoping to catch a millionaire as prey.

In Hollywood there is a new thrill,  
In his red and black Cadillac there is Phil.  
All the Burley fans will go wild,  
To say he's great, is putting it mild.

All the girls will surely scream,  
When they learn who coaches their basketball team.  
Burton Wygant is at old L. C.  
Replacing Amstutz who retired in 1963.

Larry Snyder, a tall and lanky man,  
Has succeeded in winning a maiden's hand.  
She's very sweet and five foot three,  
And looks awfully cute upon his knee.

Byron Nicholson, a great Senior of '58,  
Went out in the world to learn his fate.  
His continual talking has come in handy,  
He's a circus barker - and what a dandy!

Janet Sink who had always been so free,  
Will soon settle down a secretary to be.  
She's far from home, in a building quite tall,  
As Perry Mason's secretary, always on call.

We see a debonair gent, Wendell Parks.  
Knocking on doors - getting plenty of dog's barks,  
He's selling washers to the ladies fair,  
He's successful and happy, with never a care.

Elvan Pelz, a mechanical man;  
Can fix anything, even a fan.  
He has his own shop - and is doing well,  
He may become a millionaire - time will tell.

Monty Tobias, our speed king,  
Finally has a very good thing.  
He works with Dodge 'ems, his speed is controlled,  
The world is now safe, so I'm told.

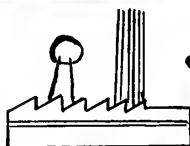

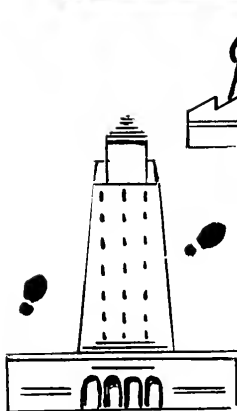

Glenn Pelz hopes a frogman to be,  
Why - we can plainly see.  
He's found no gal to suit his taste,  
He'll search for mermaids in great haste.

Louise-y, Louise-y what will you do?  
You'll have a fine husband, tried and true.  
You'll run a newspaper and head a few clubs,  
Sell cars on the side, including the hubs.

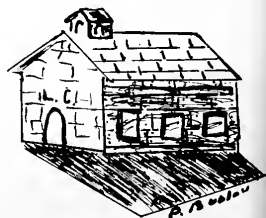

Larry Booth has always liked speed,  
And now he's doing a very good deed.  
He's catching speeders along the highway,  
And Sheriff Booth makes them pay.

# JOURNEY'S END

In the beginning we were enthused,  
In the process we were abused,  
But now -- B. A. W. K. (Boy, are we Konfused)
